SPOTLIGHT

Lift Off at the Disability Expo!

We had a great time at the Disability Expo on the 2nd and 3rd August. We loved meeting new families and networking with other service providers. Our astronaut and rocket were a hit with many! Innovative solutions, resources, and support to empower people with disabilities!

COMING SOON! Lift Off Merchandise - Caps, Beanies and Plush toys!

Welcome Katy!

Katy is a dedicated administration professional with a passion for allied health and a commitment to improving patient experience.

Katy's journey in allied health began in 2021 within the aged care field and then she moved over to the NDIS sector in 2023.

Prior to finding her niche within the Allied Health sector, she worked in the Banking & Finance field for 23 years.

Outside of work, Katy enjoys spending time with her husband, her family and taking her spoilt little Moodle, Lexi, for walks.

Katy is driven by a commitment to excellence and a passion for making a meaningful difference in the lives of patients and the broader community.

Lift Off Early Intervention has been selected as finalists in TWO categories in the Australian Women's Small Business Awards!
